PROFESSIONAL SUMMARY

Dedicated and detail-oriented Diploma student in Electronics and Communication Engineering with practical knowledge of Arduino programming, circuit designing, and embedded systems. Skilled in using tools such as Arduino IDE, KiCad, Proteus, and Multisim for simulation and project development. Passionate about learning emerging technologies and building innovative electronic projects through hands-on experience. Possesses strong analytical thinking, problem-solving abilities, and effective communication skills.

EDUCATION

Diploma in Electronics & communication Engg
Govt. Polytechnic - Kalgi
Mahatma Gandhi school – wadi(jn)1st to 10th

Graduated:2027
Completed:2024

SKILLS

- Technical Skills: Arduino, PLC BASIC, CSS, HTML, Github & C – language, MS word, MS PowerPoint, Multisim, Proetus, Kicad, ladder logic.
- Soft Skills: Communication, Teamwork, Problem Solving, Quick Learning, Time Management, Leadership.

CERTIFICATIONS

- C – programming Certified
- PCB design Certified
- Computer course Certified
